Maryland Correctional Enterprises

7275 Waterloo Road, Jessup, MD 20794 • 410-540-5400 • [www.mce.md.gov](http://www.mce.md.gov)

**A**s the prison industry arm of the Maryland Division of Correction (DOC), Maryland Correctional Enterprises is an effective correctional industries model that prepares offenders for employment upon release.

MCE's "Learning for Life" core principles support our mission and vision statements of performance based job skill training and structured educational programs. CARES re-entry program challenges and prepares offenders through "Thinking for a Change" and "Employment Readiness" classroom courses, which also include money management training. The foundation of our rehabilitative program is designed to instill strong work ethics, increased responsibility, promote professional development, and provide valuable re-entry services that will improve offender employment successes and further reduce rates of recidivism. This positive personal change contributes to more productive citizens and safer communities.

*The Mission of Maryland Correctional Enterprises  
is to provide structured  
employment and training activities  
for offenders in order to improve  
employability upon release, to enhance  
safety and security, to reduce  
prison idleness, to produce quality,  
saleable goods and services, and to be a  
financially self-supporting State agency.*

**I**n today's challenging healthcare marketplace, providers depend on products and services that can compete with the ever-changing demands of healthcare environments, as well as tailored solutions for special applications.

Whether your needs are for hospital, long term care, or rehabilitation centers, MCE can be a major resource for a collection of high-quality, cost-effective offerings. Our full furniture line includes numerous products that can accommodate administrative offices, lounge/waiting room areas, conference rooms, cafeterias, labs, and storage locations. An array of textile items are also available to service your bed, bath, and apparel requirements. We can provide a large sampling of graphic items from signage to award plaques, binders, banners, and much more. We do printing too!

MCE's services are another example of our over 60 years of experience. We have the capability to provide laundry services and furniture restoration, not to mention custom embroidery and silkscreen for that personal touch.

From flags and picture frames to hand sanitizer, or anything in between, consider MCE your source for all of your business needs. To learn more about how MCE can enhance your business, contact your Account Representative or visit our e-commerce website at **[www.mce.md.gov](http://www.mce.md.gov)**.

## Services

### *Laundry*

Our full service laundry and linen processing facility turns out approximately 3 million pounds annually. We have state-of-the-art equipment that can supply your organization with pristine washing, drying, ironing, and folding of textile items.

### *Data Entry*

We can provide high-speed data entry for customers that need to process large volumes of records, such as mailing lists, inspection reports, and testing reports, utilizing Viking and Microsoft software.

*We can also provide pick-up and delivery services!*

### *Embroidery*

Our employees are trained to deliver paramount embroidery services using modern digitizing techniques and equipment that add excitement and innovation to the art of identification and embellishment design.

Whether your challenge is a one-time solution or a program of products, MCE can offer you a large range of products including hats, shirts, totes, towels, and outerwear that are made to your specifications.

### *Silkscreen*

For a professional appearance when attending trade shows, conferences, or seminars, MCE can silkscreen the name of your agency or organization on many of our apparel items, such as shirts and hats. We can also provide this service on specialty items; for example mugs, signage, binders, and tote bags.

*Customers also have the option of using their own materials.*

# Furniture Restoration

Reuse, Recycle, Refurbish! MCE can restore your existing furniture, from antique to modern, for a fraction of the cost to purchase new. Some of the services we provide are seating re-upholstery, foam and cushion replacement, webbing, and joint gluing. We have a large selection of fabrics and vinyls to choose from, along with the capability to utilize customer supplied materials. For wood furniture, our restoration services include wood stripping and staining, along with the replacement of desk tops and missing hardware.

For more information contact Customer Service at 410-540-5454.

# MCE Stewardship

## Improving Quality of life, with products you can trust.

Our commitment to raise awareness and educate consumers on the sustainability of using green products will contribute to a healthier and environmentally friendly place to work and live. We have strategically partnered with suppliers who contribute by their experience and knowledge to support our vision by incorporating sustainable fabrics and design elements, which utilize recycled and recyclable materials, ergonomic benefits, and superior service life.

- As a recognized member of the GREENGUARD Certified Program, many of our products have been rigorously tested and certified under the GREENGUARD Indoor Air Quality Program. This certification promotes green products that eliminate the off-gassing and reduction of hazardous toxic materials for interior environments.
- We built our first greenhouse that allows us the opportunity to cultivate native bay shoreline grasses. Planting occurs strategically in designated areas of Maryland's Chesapeake Bay to help prevent shoreline erosion.
- Thirty-five acres of field crops were added to expand our agriculture program, which previously consisted of an apple orchard. These fruit and vegetable harvests will be supplied to local correctional institutions throughout Western Maryland.
- We can grow and plant hundred of acres of trees for the reforestation of disturbed land which occurs from highway development and Inter County Connectors projects.

Included in our Reuse, Recycle, and Refurbish programs are:

- Our furniture restoration service allows our customers to refurbish their existing timeworn furniture instead of purchasing new. We have the option of using green or recycled fabrics on seating, or the stripping and staining of wood furniture.
- A surplus/removal disposal service shows our dedication to protecting our natural resources by recycling any unwanted furniture. We pick up and sort items which will be refurbished or recycled into raw material that would otherwise end up in Maryland landfills.

For MCE, our programs are all about providing responsibility, educating, and training our offender employees to care for our natural resources, while giving something back to the community. It is also about moving forward to help build a mutually sustainable future that generations can enjoy.
